

BELGRAVIA HARTFORD Announces Intended Normal Course Issuer Bid

TORONTO – (NEWSFILE) – February 18, 2021 – BELGRAVIA HARTFORD CAPITAL INC. (“Belgravia” or the “Company”) (CSE:BLGV) is pleased to announce that it intends to undertake a Normal Course Issuer Bid (“NCIB”) commencing on February 23, 2021.

Mehdi Azodi, President and CEO, stated, “The Company's management and board of directors believe that from time to time the market price of Belgravia's common share price does not reflect the underlying value of the business and current assets, and that the purchase of common shares for cancellation at such times is a prudent corporate measure that will increase the proportionate interest in the Company and further shareholder value. The purpose of the NCIB is to facilitate this process.”

As of February 17, 2021, the Company had 401,792,516 common shares issued and outstanding. Under the terms of the NCIB, Belgravia may acquire up to 20,089,626 of its common shares, representing 5% of its issued and outstanding common shares. Such common shares will be purchased only when and if the Company considers it advisable. The Company has appointed Leede Jones Gable to coordinate and facilitate its NCIB purchases.

The NCIB will terminate on the earlier of February 23, 2022 and the date on which the maximum number of Common Shares that can be acquired pursuant to the NCIB have been purchased. All shares purchased by the Company will be purchased on the open market through the facilities of the CSE and/or alternate Canadian trading systems at the market price at the time of purchase. Any common shares purchased pursuant to the NCIB will be cancelled by the Company.
