

## **BELGRAVIA HARTFORD Announces Renewal of Normal Course Issuer Bid**

TORONTO – (NEWSFILE) – February 3, 2022 – BELGRAVIA HARTFORD CAPITAL INC. (“Belgravia” or the “Company”) (CSE:BLGV) is pleased to announce that, under its current normal course issuer bid (“NCIB”), which commenced on February 23, 2021, the Company has purchased for cancellation the maximum number of common shares in the capital of the Company (the “Common Shares”), pursuant to the NCIB. The Company intends to renew its NCIB commencing on February 3, 2022.

Pursuant to the NCIB, between March 25, 2021 and January 28, 2022, the Company has purchased for cancellation a total of 2,008,963 Common Shares at a volume weighted average price of \$0.167 per Common Share, resulting in a total investment of \$358,342.67.

Mehdi Azodi, President and CEO, stated, “Share repurchases made pursuant through the Company's NCIB will be predicated upon maintaining a strong balance sheet and the availability and attractiveness of alternative capital investment opportunities. The Company believes that the purchase of Common Shares from time to time can be undertaken at prices that do not fully reflect their intrinsic value. The Company believes that, in such circumstances, the repurchase of such Common Shares represents an appropriate use of the Company's available funds to support shareholder value.”

As of February 3, 2022, the Company had 47,080,285 common shares issued and outstanding. Under the terms of the NCIB, Belgravia may acquire up to 2,354,014 of its Common Shares, representing 5% of its issued and outstanding Common Shares. The price that Belgravia will pay for common shares in open market transactions will be the market price at the time of purchase through the facilities of the CSE and/or alternate Canadian trading systems. The actual number of common shares purchased under the NCIB, the timing of purchases, and the price at which the Common Shares are acquired will depend upon future market conditions. The Company has appointed Leede Jones Gable to coordinate and facilitate its NCIB purchases.

The NCIB will terminate on the earlier of February 3, 2023 and the date on which the maximum number of Common Shares that can be acquired pursuant to the NCIB have been purchased. Any common shares purchased pursuant to the NCIB will be cancelled by the Company.
